

# Welcome to Worship

April 7, 2013

## **TABLE PRAYER**

Gracious God, open the eyes of our heart to see your Son every day.  
May we bear witness to his gracious presence in all we say and do.  
Bless now the food we are about to eat. May it strengthen us for service  
in your name, and as we break bread may we see you in our midst.  
Amen.

## **Technology Update**

Temple Talk – March 10, 2013

You will notice over the next couple weeks that wiring and sound to accommodate a screen and projector in the Fellowship Hall (FH) is being installed. This is a project the technology committee has had on its wish list for quite some time. And now, due to the generosity of the Donna Johnson family, it is going to become a reality.

A screen and sound system in the FH will be used for a variety of purposes: the youth, Sunday school and VBS, presentations for our church groups and for those who rent the space for seminars. Currently, we have the capability to live-feed from the sanctuary to the FH. This has been done in the past for funerals. Upgrading from the small FH television to a large screen will better serve the need.

Not surprisingly, in planning for this FH upgrade, the tech committee has discovered that now would be the best time to do an upgrade in the Sanctuary as well. So, rather than purchasing a second screen and projector to put in the FH, the council has approved that the screen and projector from the Sanctuary be moved to the FH. In replacement, an LED panel will be installed. This is basically a large flat screen TV, the same width as the current screen.

### **Why an LED?**

And LED screen will provide significantly sharper colors and images. For instance, Pastor's video sermons will not be grainy. In addition the text will be sharper. It is also important to note that since the installation of the new Sanctuary lighting, the illumination of the screen has decreased. Backgrounds have been changed to black to compensate for the loss of clarity.

Where will the LED be placed?

The LED cannot hang from below organ pipes, as access to the panels under the pipes is needed for maintaining the organ. The LED panel will be cantilevered from the wall above the sacristy door, and extend in the direction of the current screen. The panel will swing to the wall when not in use.

The council has approved this plan with the stipulation that additional funding beyond the Donna Johnson memorial be raised prior to purchasing additional equipment. The screen and projector from the Sanctuary will not be moved to the FH until the LED panel is functional.

The cost to upgrade to an LED panel, including the mount and the installation will run approximately \$5500.

There is no question of the generosity of this congregation. Your support of the technology team and our efforts to keep us moving forward has been wonderful. It did not take us long to fund the balcony carpet project, so the tech team and the council are encouraged that raising the funds for this project will be as successful. If you have any questions, please ask Laurie.

**Watch the SCREEN and uncover the hidden pictures with your donations of \$25 or more!! Please designate your gift to *the LED Project*, so we can record it in additon to your regular offering.**

**Sunday Volunteers Reminders** are sent each week to all Sunday volunteers – ushers, acolytes, communion servers, Altar Guild, readers, musicians, tech and staff. The Road to Emmaus

Luke 24:13-35

Key Verses: “Then their eyes were opened, and they recognized him; and he vanished from their sight. They said to each other, ‘Were not our hearts burning within us while he was talking to us on the road, while he was opening the scriptures to us?’” Luke 24:31-32

Time: 30 C.E.

Since Last Week: After the women found the tomb empty, some of the disciples left Jerusalem.

Community: In what ways does your community of faith reveal Jesus to one another? What might your community of faith do to help others know Jesus?

At Home: What things are your eyes closed to, that you could or should be looking at in your own life? How might you face some of those things this week? Who can help you see and work through the difficult issues you face?
