**TABLE PRAYER**

Gracious God, you have created everything. May we not only enjoy your creation, but may we faithfully care for it. Your creation is yet another sign of your greatness and care for us. Bless now the food that we are about to eat. May it strengthen us for service in your name. Amen!

## **Wisdom at Creation**

Proverbs 8:22-36

**Key Verses:** “The Lord created me [Wisdom] at the beginning of his work, the first of his acts of long ago. Ages ago I was set up, at the first, before the beginning of the earth.” Proverbs 8:22-23

**Time:** 10<sup>th</sup> – 6<sup>th</sup> century B.C.

**Background:** Today’s reading poetically lifts up wisdom’s role in the creation of the world. Here wisdom is personified as a female companion of God’s, sharing in the delight of all that God has made. With a gentle nature she seeks to instruct humanity so that they too, might delight in God’s creation.

Again we learn that wisdom of God, not possession of material goods, leads to true happiness. Wisdom desires happiness for us.

**Community:** How does this image of Wisdom make the creation story richer? What role does Wisdom have not only in creation, but also in the day to day spinning of today's world? How might we use our wisdom to make this world better?

**At Home:** How can you find wisdom in creation? Make time this week to become connected with nature in some way. Take a walk or eat a meal outdoors. Take notice of the miraculous, intricate wisdom found in nature. What do you learn about yourself and about God when you are intentional about this time and attention?
