

# Welcome to Faith @ Home

... an adventure in following Jesus

We all know that 2020 is an odd year. As we move closer to September, we realize that we cannot safely do Sunday School as we normally would. We have found ourselves with an opportunity to try something new. This fall we are excited to try some experiments in following Jesus from home.

*“God sent me to announce a year of his grace – a celebration of God.” Isaiah 61:1*

Research from Milestone Ministries tells us that “Faith is formed by the power of the Holy Spirit through personal, trusted relationships – often in our own homes.” Faith is caught more than it is taught. We are thrilled to prepare households to hear God, follow Jesus and share God’s story.

## Here’s how we plan to do it:

1. Give families physical tools for hearing God at home or in family pods
2. Provide mentors for children and parents
3. Provide family opportunities for outdoor in-person service and fellowship

We listened when you said you did not want another thing to do in front of a screen, so these experiments will involve real, live people and physical objects, infused with the Holy Spirit.

On Rally Day, Sunday, September 13, Jeni and Sister Sarah will host 3 opportunities for households to receive a Faith Toolbox and learn how to hear God at home. If you can’t make it that day, we can arrange for you to get one. Please bring your family (whoever makes up your version of family) and plan to stay for about 30 minutes.

11:00 am	Henton Park
1:00 pm	Nester Park
3:00 pm	Cross of Calvary East Lawn (outdoor worship is at 5:30 pm)
